

◆ Sketch out your ideal classroom arrangement **and** seat  
Assume that you will have 25 students in a classroom. T  
where you would place the following students:

- 2 students are tall – label their desks with a T
- 1 student is very quiet – label their desk with a Q
- 2 students that are well behaved with no behavior  
– label with a check mark
- 1 student sleeps in class – label with a S
- 1 student in a wheelchair – W
