

Dear Parents or Guardians,

Allow me to introduce myself. My name is Ryan Hall and I am a graduate of Texas State University with a Bachelor of Arts Degree in Music with a focus in Percussion and a minor in Business Administration, and I am looking forward to a new school year as your child's Percussion Teacher. This year will be an exciting year for all of us. We will dive into the world of music and percussion learning technique, styles, music theory and etiquette all in preparation for the band and percussion concerts throughout the year. I have planned many activities and found some great music to work on throughout the course of the year that were designed to help your child succeed musically, not just this year but also in the years to come.

Students and their parents/ guardians are naturally curious about homework, practice and rehearsals that come with being a music student. There will be a video homework assignment due every week. You may find this assignment on Google Classroom as well as the Class Website. Students will also need to turn in a practice record signed by you once a week logging their practice hours at home. You should see your child practicing anywhere from 45 minutes to 2 hours every day.

When you have questions, please feel free to e-mail me at ryan.hall@wimberleyisd.net or call me at school. Our number is (512) 847-2181.

I am looking forward to working with my new students this year. I am also looking forward to meeting you and working with you to help your child succeed.

Best Regards,

Ryan Hall
Percussion/ Choir Director
